

BASKET WEAVING WITH WILLOW POLSON

About Basket Weaving

Using a basketry kit from Traditional Craft Kits, this class guides students through how to make a traditional California Native-style one-rod coiled basket. Examples of traditional basket materials (willow, redbud, bracken fern root, sedge) and one- and three-rod coiled baskets will be on hand for examination and discussion, plus information about cultural practices of the Miwuk, Pomo, and Paiute. Weavers will be able to take the kits home to finish their basket in their own time.

TIMES

Mondays and Fridays
1pm and 4pm
Sundays and Thursdays by appointment

PRICE

\$60/person, ages 10 and up

OTHER INFORMATION

Advance reservation required, please contact the Recreation Desk for availability and details. Gratuity not included; for exemplary service a 10%-20% tip is customary.
