

YOSEMITE FLIGHT TOURS

Year-Round*

The Yosemite Flight tour highlights the spectacular nature of the Sierra Nevada mountains and Yosemite National Park giving you an unforgettable aerial experience.

This tour will provide you with magnificent views of the of untouched wilderness. You will soar over pristine alpine lakes, wild rivers, waterfalls and stunning mountain ranges.

During the tour, you will view the world-famous Yosemite National Park and be able to see the majestic walls of El Capitan, Half Dome and Yosemite Valley. Very few people will ever experience this unique perspective.

The flight tour is the perfect way to get a spectacular photo of Yosemite and the surrounding wilderness from the air.

Flying a vigilantly maintained aircraft, the highly trained, safety-conscious pilots of Yosemite Flights will provide you with a comfortable and unforgettable aerial experience.
