

HORSEBACK RIDING ADVENTURE

Spring, Summer & Fall*

We're lucky enough to get to partner with our neighboring wranglers for a wide range of exclusive horseback riding adventures through some of our area's most highly sought-after trails. The team at Smith Station Stables takes you back to a simpler time at the historic Birch Ranch, adjacent to Firefall Ranch.

Explore the surrounding wilderness in much the same way as the Sierra Nevada's first explorers. You'll enjoy the rich sights and sounds of the forest, and you might even make a new friend in your trusty four-legged companion. Choose from 30 minute to one hour riding adventures throughout the day.

If you've ever dreamed of exploring the breathtaking Sierra Nevada Mountains on horseback, now is your chance! Nestled at the gateway to Yosemite, our stables offer an authentic and scenic trail ride experience like no other.
